#### **DIRECTORS' REPORT**

The directors present their annual report together with the audited financial statements of the company for the financial year ended 31 December 2022.

# LEGAL STATUS

The Hunt Museum is a company limited by guarantee and not having share capital.

#### PRINCIPAL ACTIVITY, BUSINESS REVIEW AND FUTURE DEVELOPMENTS

The company operates a museum ("the Museum") in the Custom House in Limerick City. The Hunt Collection ("the Collection") is owned by the Hunt Museums' Trust, a company limited by guarantee not having a share capital. The Museum houses part of the Collection, which is a unique collection of original works of art and antiquities, ranging from the simple tools of the Neolithic hunter to drawings by Pablo Picasso, with a concentration on medieval works of European decorative art. The Company is responsible for managing, maintaining and controlling the Collection for exhibition, preservation and study purposes.

The directors do not anticipate a change in the company's activities in the foreseeable future.

#### **RESULTS FOR THE FINANCIAL YEAR**

The company recorded a deficit before transfer from the endowment fund of  $\in$ 84,176, (2021 surplus :  $\in$ 111,303) for the financial year.

Premises expenses were high for the year, due in part to issues with air conditioning and heating and vandalism and replacement of the Cafe windows. This was spent on a new Building Management System which will improve energy efficiency in 2023. The energy price hikes were somewhat mitigated by an additional €65K support grant from the Department of Tourism, Arts, Culture, Gaeltacht, Media & Sport (DTACGMS). Insurance (increased turnover led to an increase in insurance) and increased legal and professional fees.

Building work:  $\leq 25$ K on repointing of the Education Wing and replacement of gutters and downpipes and pumps is offset a little by the LCCC Built Heritage Grant of  $\leq 9$ K, with the remaining amount being transferred from the endowment fund.

Some further diversification of grant funds includes EU with Horizon Europe for the RECHARGE project on new participatory business models for museums, Heritage Council for visually impaired work and Community Foundation for Ireland for Docent Training. The crowd funder for Sybil Connolly costume restoration hit its target.

#### **DIRECTORS' REPORT - CONTINUE**

#### DIRECTORS

#### FINANCIAL RISK MANAGEMENT

The company's operations expose it to a variety of financial risks that include the effects of credit risk and liquidity. The company has in place a risk management programme that seeks to manage financial exposure of the company.

The directors delegated the responsibility of monitoring financial risk management to a sub-committee of the board. The policies are set by the board of directors and are implemented by the company's management. The team adheres to specific guidelines to manage interest rate risk, credit risk and liquidity risk.

#### Credit risk

This is closely monitored by the company directors to minimise this risk.

#### Liquidity risk

The company ensures it has sufficient liquid investments and deposits to ensure that it has sufficient available cash to enable it to meet payments when due.

#### **DIRECTORS' REPORT - CONTINUED**

#### FINANCIAL RISK MANAGEMENT - Continued

Going Concern

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis in preparing the annual financial statements. The directors have concluded that there is no impact on the going concern and viability of the company. Further details regarding the adoption of the going concern basis can be found in note 1 to the financial statements.

#### **RISKS AND UNCERTAINTIES**

There is a risk that the projected amounts of funding from grants and sponsorships are not forthcoming.

#### EVENTS AFTER THE BALANCE SHEET DATE

There have been no significant events affecting the company since the financial year-end, other than those matters discussed in the principal activities and business review section of the Directors' report.

# ACCOUNTING RECORDS

The measures that the directors have taken to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The books of account are maintained at The Custom House, Rutland Street, Limerick.

#### DISCLOSURE OF INFORMATION TO AUDITORS

So far as each of the directors in office at the date of approval of the financial statements is aware:

- There is no relevant audit information of which the company's auditors are unaware; and
- The directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 330 of the Companies Act 2014.

# **DIRECTORS' REPORT - CONTINUED**

# AUDITORS

The auditor, Deloitte Ireland LLP, Chartered Accountants and Statutory Audit Firm, continue in office in accordance with Section 383 (2) of the Companies Act, 2014.

Approved by the Board and signed on its behalf by

blu hel

\_\_\_\_\_ DIRECTOR

JOHN FIELD

Donne La O Treasaugh.

DIRECTOR

Date: 13 July 2023

#### DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with the Companies Act 2014.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with FRS102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council ("relevant financial reporting framework"). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# Deloitte.

Deloitte Ireland LLP Chartered Accountants & Statutory Audit Firm

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HUNT MUSEUM COMPANY LIMITED BY GUARANTEE

#### Report on the audit of the financial statements

# Opinion on the financial statements of The Hunt Museum Company Limited by Guarantee ("the company")

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2022 and of the deficit for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Income Statement;
- the Statement of Comprehensive Income;
- the Balance Sheet;
- the Cash Flow Statement;
- the Statement of Changes in Equity; and
- the related notes 1 to 21, including a summary of significant accounting policies as set out in note 1.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued by the Financial Reporting Council ("the relevant financial reporting framework").

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

#### Other information

The other information comprises the information included in the Reports and Financial Statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the Reports and Financial Statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Continued on next page/

/Continued from previous page

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HUNT MUSEUM COMPANY LIMITED BY GUARANTEE

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on IAASA's website at: https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements. This description forms part of our auditor's report.

#### Report on other legal and regulatory requirements

#### Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements and the directors' report has been prepared in accordance with the Companies Act 2014.

#### Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE HUNT MUSEUM COMPANY LIMITED BY GUARANTEE

#### Use of our report

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

#### 1. ACCOUNTING POLICIES

The significant accounting policies adopted by the company are as follows:

# **GENERAL INFORMATION AND BASIS OF ACCOUNTING**

The Hunt Museum Limited by Guarantee is a company incorporated in Ireland under the Companies Act 2014. The address of the registered office is The Custom House, Rutland Street, Limerick. The company registration number is 204519. The nature of the company's operations and its principal activities are set out in the directors' report on pages 3 to 5.

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2014 and Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of The Hunt Museum by Guarantee is considered to be euro because that is the currency of the primary economic environment in which the company operates.

These financial statements are separate financial statements.

# TANGIBLE FIXED ASSETS

Tangible fixed assets are stated at cost, net of depreciation and any allowance for impairment. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight-line/reducing balance basis over its expected useful life, as follows:

Buildings and related fit out Interest in Rutland Street Fixtures and fittings Computers 20 – 50 years 20 years approximately 10 years 3 years

# FINANCIAL INSTRUMENTS

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

#### Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

#### NOTES TO THE FINANCIAL STATEMENTS – CONTINUED FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022

# 1. ACCOUNTING POLICIES - CONTINUED

#### TAXATION

The Hunt Museum (formerly The Hunt Museum Limited) is a charity, which subject to the provisions of Sections 207, 609 and 266 of the Taxes Consolidation Act, 1997, is exempt from Income Tax, Capital Gains Tax and Deposit Income Retention Tax.

#### **EMPLOYEE BENEFITS**

The company provides a range of benefits to its employees. Short term employee benefits, including paid holiday arrangements and other similar non-monetary benefits, are recognised as an expense in the financial year in which employees render the related service.

#### **RETIREMENT BENEFIT COSTS**

Retirement benefits are funded over the relevant employee's period of service by way of contribution to an insured fund. Annual contributions are charged to the income and expenditure account in the period to which they relate.

#### **GRANT INCOME**

Grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset.

#### 2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

#### Critical judgements in applying the Company's accounting policies

The following are the critical judgements, apart from those involving estimations (which are dealt with separately below), that the directors have made in the process of applying the company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

#### **Going Concern**

The principal risk relating to the company is the ability of the company to secure adequate funding from grants to provide services to the Limerick area and beyond. The directors take appropriate actions to secure funding on an annual basis. The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the going concern basis in preparing the annual financial statements.

#### Key sources of estimation uncertainty

There were no sources of estimation uncertainty during the preparation of the financial statements.

#### NOTES TO THE FINANCIAL STATEMENTS - CONTINUED FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2022
